“The Master Of Magical Entertainment, Promotions & Edutainment!”

“Hi Rick – I wanted to thank you and to say that it was a pleasure working with you on this project. You took the bull by the horn and guided us through all the unfamiliar ins and outs of event production.

Nick and I agree that you and the production crew were terrific and thoroughly professional in everything you guys did. The result was an unforgettable fantastic evening, full of magic and a lot of fun for all. However, as exciting and fun as it was, I don't want to do anything like this for another 10 years . . . :-)

Take care and, again, thank you.”

“...from the first time you and I spoke I knew that we were in good hands. From the planning process to the final hours of the party, your team took care of every detail and allowed us to enjoy ourselves.

Your experience and professionalism did not go unnoticed. I was particularly impressed when I arrived at the venue on the day of the party, and your team was already there rehearsing. This was before the caterer and even the cleaning staff had arrived!

We appreciate the time and effort you put into customizing a magical evening for us. The goal was simply to have fun, and you delivered. Our guests loved the shows, which kept everyone in suspense and amazement. In particular, guests loved watching their managers appear out of thin air to draw prizes! There were also some very funny moments that we still talk about at the office.

We have heard countless compliments from guests who loved the magic and fun that you brought to the evening. Thank you Rick. It was a pleasure working with you.”
